## MISSION

**The Catholic Medical Student Association is an organization seeking to promote spiritual and moral values. It aims to foster the development of spiritual life, moral character, and worship. It also aims to provide an opportunity for medical students to congregate in fellowship over shared and unique experiences. The organization hopes to integrate medical education with faith and ethics. The organization is affiliated with, and is supported by, the Catholic Physicians' Guild of Chicago and the Archdiocese of Chicago.**

## GOALS

- Provide guidance and support for medical students.
- Promote Education in Catholic ethics and values.
- Offer programs that support spiritual growth and moral leadership.
